

YOUR DUO COLOUR KIT

NEW COLOUR APPLICATION

1. Duo 1 for long and/or thick hair (one application)

- Squeeze both colour tubes and both developer sachets into your tint bowl and blend.
- Follow the full-length colour application directions on the black and white instruction card.

2. Duo 2 for less than shoulder length hair (two applications)

- Squeeze half of each colour tube, and one whole developer sachet into your tint bowl and blend. Ensure you put the caps back on the tubes to avoid oxidation.
- Follow the full-length colour application directions on the black and white instruction card.

ROOT TOUCH-UP APPLICATION

- Squeeze half of each colour tube, and one whole developer sachet into your tint bowl and blend. Ensure you put the caps back on the tubes to avoid oxidation.
- Follow the full-length colour application directions on the black and white instruction card.
